Description	Net (USD)	Tax (USD)	Amount Due (USD)
Implementation mobilization milestone · 30% of original quote	47,520.00	0.00	47,520.00

Reconciliation

This invoice is the first billing component of the original 158,400.00 USD quote. It does not create an additional sale. The remaining original-quote billing components total 110,880.00 USD.

After amendment DVX-AM-2026-1101, revised net contract value is 183,000.00 USD. The incremental 24,600.00 USD is not covered by the current PO and has not been invoiced. No payment has been recorded against this invoice.

Routing and dispute

Payment terms are Net 30. Notify an invoice dispute within fifteen days of receipt and identify the disputed charge. Payment instructions are supplied through the approved vendor onboarding channel, not this document.
